

## POTENTIOMETER

RV-015S-270

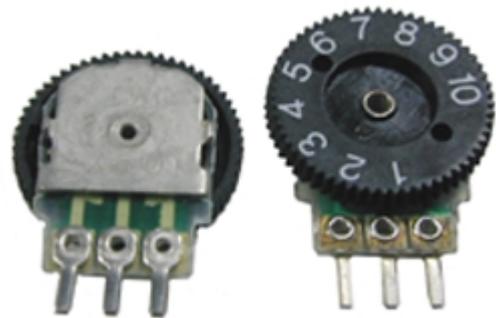

- **Features**

Fine tolerance.

Slim size (t=2.4mm)

Silk screen volume marking

Silver plated long life resistive paste.

- **Applications**

Telephone set volume control

Portable cassette player.

- **Specification**

Total resistance	100 K
Resistance taper	As per request
Power Rating	0.3 W
Electrical sliding noise	100 mV max.
Operating voltage	10 V DC max.
Knob size	10.5 mm
Operating force	10 ~ 100 gf. · cm
Angle Rotation	270 ° ± 10 °
Life	10,000 cycle min.
